

DODGE COUNTY PIONEER

Connecting People In Print & Online

Printed Pioneer:

The complete printed edition of the newspaper featuring local stories & advertisements. It is available by mailed delivery or at local newsstands.

E-Edition:

The complete paper in .pdf version. Available online to e-subscribers only. E-subscriptions are only available by credit card at dodgecountypioneer.com

Website: www.dodgecountypioneer.com

Weekly News Briefs & Breaking Local News:

Each week there are some abbreviated news briefs taken out of our printed edition. This is updated at least once a week. Also, major breaking news stories will be posted on the website near the time of the story or when information becomes available. Only an abbreviated version will be put on the website. The full version of a breaking story will be in the next printed paper.

Special Sections:

We post selected special sections in .pdf format. For example, the Visitor Guide is available.

Facebook:

We interact daily with readers using this social media. We also use this network to post up-dated local emergency information.

Job Connection:
We post boxed help wanted ads both in print and online!

Real Estate Connection:
We post boxed real estate ads both in print and online!
